Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than sixty years of experience effectively developing, marketing, manufacturing, designing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are devoted to providing new design concepts and top quality in order to meet the diverse requirements of their customers.

TREK Cleaning Machines continually offers fresh design concepts as shown in their product development. They like providing items which energize both their dealers and their partners and offer production gains to their clients.

The team at TREK likes handling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' requirements and skills combined with their comprehension of cleaning applications, along with owners' strong desire to considerably lower cost through productivity gains.

The employees at TREK and their dealer-partners are really committed to having both technical support and parts accessible when it is needed. Their high service dedication is among the core values in their customer service. Keeping their clients' cleaning machines ready and functioning day by day is top priority. The company's top of the line technology delivers dependable machine which ultimately reduces your cleaning expense. The price, the service and the product all work as one so as to make them an industry leader.
