

TCM Forklift Parts

TCM Forklift Parts - Forklift trucks are a major player in the material handling field of each international industry. Transporting industrial goods takes place every day on our busy world. Initially innovated as industrial vehicles in the 1930s in the U.S., forklifts gained popularity following WWII in the 1940s. Becoming a reliable and efficient means to material handling solutions, the practicality and need of these machines spread internationally.

In 1949, founded by Mr. N. Niwa, the first Toyo Carrier Manufacturing Company Limited, which was later named Toyo Umpanki Co, was recognized. Now the business is simply referred to as TCM Corporation. Over the years, TCM lift trucks have become a global leader in forklift manufacturing and have built a solid reputation in the business. TCM began constructing lift truck manufacturing sites outside of Japan in the 1980s and is now engaged in forklift manufacturer at three foreign factories in the United States, Europe and China.

With over 50 years of accumulated expertise and technology, TCM has been proudly manufacturing various models of industrial trucks, making their models recognizable all over the world. With an energetic and strong staff, TCM has been able to continually work towards becoming a future leading material handling company.
